

## Do You Need ComForcare<sup>SM</sup>?

No matter what your age, there are times when we all need a little help with the activities of daily life. Surgery, injury, illness and challenges created by disabilities can make it tough to take care of yourself or your loved ones, and that's where we can help, for as short or long a time as you need. Contact us when...

- Dealing with and recovering from illness
- After hospitalization
- After surgical procedures
- After suffering a closed head injury or other disabling trauma
- After sustaining injuries from a motor vehicle accident
- When adjusting to a new disability

If any of the above apply to you or your loved ones, we can provide the assistance you need to get back on your feet. Contact us today for more details!

## Senior Services<sup>®</sup>

## Reliable help when and where you need it!

Since 1996, ComForcare<sup>SM</sup> has specialized in delivering qualified, guaranteed home care services to your community. Our comprehensive range of non-medical care services have helped hundreds of people recover and prosper in the comfort of their own homes.

Our highly experienced and trained caregivers have received outstanding marks from families just like yours. Their training and background give them the knowledge and experience necessary to provide you or your loved one with a wide range of services, from advanced levels of personal care to safety supervision, ensuring a happy and healthy recovery.

Our caregivers are available anytime: 24 hours a day, 365 days a year. We also provide security and confidence through all-hours Telephone Reassurance and Urgent Care Assistance, so fast, reliable help is always accessible when it's needed.

ComForcare provides a wide range of daily personal services, including:

- **Bathing, Grooming & Hygiene**  
Respectful hands-on or stand-by assistance.
- **Transfers**  
Assistance in and out of a wheelchair is provided.
- **Meal Preparation**  
Individual preferences, dietary restrictions and the importance of nutrition are always considered.
- **Medication Reminders**  
Safe compliance with prescribed drug dosages is monitored by the caregiver.
- **Safety Supervision**  
Caregivers provide general supervision and transfer assistance to ensure client safety and well-being.
- **Transportation/Errands**  
ComForcare aides are happy to accompany clients to medical appointments and assist with occasional shopping and other local errands.
- **Chore Services & Light Housekeeping**  
We will perform basic everyday household chores on request.
- **Family Respite**  
ComForcare makes it possible for family caregivers to take time off worry-free. We'll handle everything so you can attend to your own needs.

*Supporting independence, dignity and quality of life ...*

That's the ComForcare vision and our promise to our clients. Contact us today and find out how we can help make your family life a little less stressful. Call us or visit our web site today: [www.ComForcare.com](http://www.ComForcare.com).
